RE: In re Todd J. Kompas / Case No. 17-28883-svk

Dear Judge Kelley:

I am writing the Court to advise that I was retained today to represent the interests of Mitchell Bank in the above-captioned proceeding. I informed the bank that I would represent their interests in this matter provided that I could obtain an adjournment of the hearing currently scheduled for December 19, 2017 due to the fact that I am scheduled to be out of the State on that date. I am filing contemporaneously with this correspondence my Notice of Appearance and respectfully request an adjournment of the December 19th hearing date to afford me the opportunity to review my client's file along with the bankruptcy court record to familiarize myself with the status of this matter. I have spoken with counsel for Debtor, Attorney Mont Martin, to address the unresolved issues with the hope that a resolution can be obtained without the need for a hearing. I have already informed Atty. Martin that I would like to continue those discussions and he has agreed to do so, which I hope will either lead to a resolution or reduce the number of issues that would need further Court intervention.

I apologize for the short notice on this request and any disruption that this may cause to the Court's calendar but due to the Motion to Withdraw filed by the Bank's previous counsel, I have no other alternative but to respectfully request the Court's consideration for an adjournment of the scheduled hearing. I thank the Court in advance for any consideration it can provide the undersigned and will await your response to this request.

Sincerely,

NIEBLER, PYZYK, CARRIG, JELENCHICK & HANLEY LLP
